Ralph Domingo Unlike kay Manny Pacquiao, hindi man lang ginawang live on pay-per-view sa SkyCable ang laban ni Donaire. Blame ABS-CBN for not even giving boxing fans a favor.

I expect GMA's programs to outrate the Donaire fight dahil alam na ang nangyari. ABS just simply cannot aggressively promote Donaire the way GMA has done with Pacquiao.

Balik-ESPN feed ang NBA Finals sa Basketball TV. Noong nakaraang taon, ginamit ang NBA TV International feed.

Hindi consistent ang naging history ng NBA Finals sa NBA TV International. Minsan kukunin ang ESPN announcers, minsan gagamitin ang mga sarili nilang announcers. Hindi ito katulad sa Major League Baseball, National Football League at National Hockey League kung saan palaging ibang announcers ang gagamitin sa international English-language feeds nila.

Ito mismong ang original version ng Can't Cry Hard Enough na palagi narining mostly sa Love, Yes, Easy Rock, and other stations. Meanwhile may version din ang kanta nito si Bellfire, na narinig ko lang kanina sa Mellow. Ang kaibahan lang yun end ng kanta after ng "For you to hear me now" ay end na kasi ang song. Sa Bellfire version nadagdag pa ang last verses then yun mismo last line. Narinig mo na ba ito sa radyo?

Mas maganda po kung malakas ang signal n'yo. Ang broadcast territory n'yo ay Mega-Manila pero grabe ang hina ng signal. Nasa Batangas ang transmitter pero dito pa lang sa Tanauan City ay poor signal na.

Ba't di tinututog or pine-play ang mga current songs pag Mondays, Fridays, and Sundays from 6 am to 7 pm sa Easy Rock? At isa pa ba't walang Pop-Up Tunes pag RST Monday, Friday Classics & Sunday Difference. Di ba yun Pop-Up Tunes ay naririnig lang ba sa All Day Easy & Lite All Night?

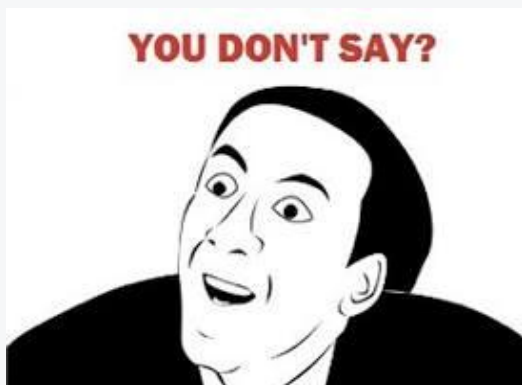

[LikeLike](#) · [Share](#)

MC Capulong 1. Malamang, OLDIES lang ang pinapatugtog sa mga programang yan. OBVIOUS sa pangalan na Friday CLASSICS.

2. Dati, ang mga kanta ng Friday Classics (at ilan sa Sunday Difference) ay pinapatugtog sa Pop-Up Tunes. Ngayon, yung mga oldies na hindi nila usually pinapatugtog sa kahit anong programa ay pinapatugtog sa Pop-Up Tunes. Mukhang komplikado, pero tinuturi nila as if bahagi pa rin sila ng Friday Classics.

Idedeklara ko na ang 2014 ang 'Year of the Switches' sa GMA Network sapagkat halos lahat ng mga programa nagsilipat sa kani-kanilang mga timeslots. Isa na diyan ang I-Witness na lumipat from its original Monday late-night to that of Saturday after Celebrity Bluff.

This is the first time in almost five years since ang comedy show ni Vic Sotto ay ipapalabas tuwing Linggo. Ililipat ang Vampire Ang Daddy Ko simula June 22 habang a day behind ang Pepito Manaloto: Ang Tunay Na Kuwento. Speaking of five years, Ful Haus ang ipinalabas sa araw ding 'yon at around 10:00 p.m. over GMA Network.

Para sa mga walang cable, ang mga laro ng Gilas Pilipinas sa 2014 FIBA World Cup ay mapapanood lang sa TV5. Ang ibang mga laro ay sa ABS-CBN Sports (channels 2 and 23).

Kung ma-eeliminate ang Pilipinas, tapos na rin ang coverage ng TV5. In that case, i-eere na sa ABS-CBN Sports ang mga natitirang laro.

Ngunit ilang oras matapos ang kanilang pag-iisang dibdib, binawian na ng buhay si Rowden.

Kaya lang sila nag-celebrate ng 10th is because they disregarded the original format of the station na puro rock music videos at Strangebrew ang pinapalabas, at ang history ng UNTV, in the minds of the owners, actually started once Bro. Eli Soriano's Ang Dating Daan entered the fray.

3 Movies ang ipapalabas bukas from 11 am to 5 pm sa TV5 yun Surf's Up, Bad Boys 2 and Universal Soldier. yun 2 movies na yan 1 & 3 pm ay mukang Rated SPG po yan for sure. Kaya marami ang nag stu-stuck na lang sa ASAP 19 kasi magandang ang show yun iba ay HBO na lang sila manood at sana in the future ibalik na rin ang PO5 at Game N Go para masaya ang mga viewers. Then 5 pm ay Jasmine pero 6 pm ay TBA sana ipalabas ang Aksyon Weekend bukas kasi kanina walang ang programang kanina dahil sa NCAA & PBA. After yun 8 pm ay Millionaire na ni Bossing

July 15, 2000 ang unang broadcast ng UAAP on ABS-CBN Sports. Ang unang laban na ipinalabas ay ang Ateneo-La Salle, kung saan tinambak ng Green Archers ang Blue Eagles 94-70 sa Araneta Coliseum.

At the time, part-time pa lamang ang UAAP coverage sa ABS-CBN Sports, dahil sa Metropolitan Basketball Association.

Pero replay lang ito ng episode noong Biyernes, at throughout the week mukhang mga replay ito ng mga episodes ng mga nakaraang araw. Ang timeslot na ito ay kukunin ng Aksyon Tanghali next week, pagkatapos ay ieere na ang T3: Reload.

TV rights, pero after a lengthy legal battle, pinayagan ng korte na i-ere ang UAAP games sa ABS-CBN Sports.

[Ralph Domingo](#) The consequence of this is that na-shorten yung oras ng Startalk. Kung dati 1:15 hours siya, ngayon 45 minutes na lang siya. Yung The Buzz nga 90 minutes siya, so my feeling is that gusto ng Startalk na i-focus more on true showbiz issues rather than those 'Da Who' guessing stuff, kaya nag-cut sila ng oras para lang sa Imbestigador.

Also, retaining Tales of Horror was another reason for the cutback in time for Startalk.

Nagbago uli ang itsura ng Bubble Gang sketch na 'Ang Bagong Dating Doon', ang spoof ng Ang Dating Daan ni Bro. Eli Soriano, nitong Hunyo. Upgraded at hi-tech na ang set, at naka-Americana suits imbes na barong sila Brod Pete (Isko Salvador), Brod Willy (Caesar Cosme) at Brod Jocel (Chito Francisco). At dinagdag nila yung word na 'International' sa titulo, bilang panggaya na rin sa pagka-global expansion ng Ang Dating Daan.

The new ABS-CBN Sports score banner for the UAAP men's basketball just added the five bars below the school name. Pero di pa sure kung timeout indicators ito (ala US NCAA) o foul indicators ito (ala PBA).

Also they added the school logos beside the abbreviation; they first used it for 2nd sem sports last year.

For fear of their OFW members being "exorcised" by the RIGHTEOUSNESS of UNTV's outreach programs and public service, the INC deemed it necessary to ensure that the UNTV Public Service Channel won't be accessible to Sofitel's INC guests. What can you guys say about ABS-CBN mostly airing old Asianovelas instead of new ones? The latest that I heard is that they will also air Winter Sonata that originally aired on GMA 7. I personally think that they should mix the old Asianovelas with new ones. Like what GMA is doing now, they are airing Jewel in the Palace at the same time they are airing new Asianovelas like My Love from the Star, The Master's Sun , Return of the Wife and Secret Love.

[Ralph Domingo](#) Blame PBB for that. Kinain nila yung timeslot that are usually reserved for Asianovelas ng Dos. They could have reduced their local primetime teleseryes to two just for a new Asianovela, pero the problem with that is baka mag-tampo ang mga taga-Star Magic and for the sake of competition.

Regarding the Endless Love to ABS thing, parang ganti-ganti lang ang ginagawa ng ABS. Remember, Rosalinda used to air on ABS until GMA took it and made it their own. And there were other shows that once aired on ABS before jumping to GMA (e.g. Meteor Garden).

Would it be better if they move the show to Saturdays and finally go head-to-head with Banana Split? Perhaps. Yung Bubble Gang na lang ang nagiisang alaala of the TV scene in the late 90s, na may anime sa gabi at wala masyadong teleserye. But times have changed, and it would be better for GMA to reluctantly go with it.

July 22 at 4:59pm · [Edited](#) · [Like](#) · 1

Christian Añasco How can it be broken? It lasted 18+ years. And yet people still watch it. Normal lang na may isang episode na replay dahil may mga bakasyon ang mga artista at staff. Plus may due to insistent public demand kaya may mga replayed episodes. So I don't think the lugi thing has something to do with it. Kung lugi na nga, dapat cancelled na ang show right?

July 22 at 5:01pm · [Edited](#) · [Like](#)

Ralph Domingo Pero once a month na replay, as in 12 replay episodes? That's too much. It's a sign na nagtitipid na yun kaysa sa pinagbabakasyon. Regardless of it being used for 'insistent public demand', sign pa rin yun na nagtitipid na ang GMA dahil nagsisialisang na ang mga advertisers nila.

Just look at the weekend lineup of GMA, it's horrible.

July 22 at 5:11pm · [Edited](#) · [Like](#)

Christian Añasco I won't mind a replay. As long as it gives me laughs. I don't think that advertisers will pull out just because of a replay monthly. And who said that every month may replay? Baka nagkataon lang at inassume lang na monthly may replay.

July 22 at 5:13pm · [Like](#)

Christian Añasco When you mean weekend sched, you're just pertaining to the Sunday sched. I don't mind watching 4 movies. At least I won't see the same artist each Sunday do the same thing each and every week. When you have movies, at least may Variety.

July 22 at 5:15pm · [Like](#)

Ralph Domingo No, I mean the ENTIRE weekend sked, not just Sunday. Except for Eat Bulaga (a TAPE production), the rest of GMA's weekend programming just couldn't hold a fork to ABS-CBN's. The commercial breaks on GMA during weekends are evidence of how broke they are now: 3/4 program promotions, 1/4 advertisements.

[Christian Añasco](#) Saturdays are fine. This what I don't understand, pag konti lang ba ang ads, lugi na? Hindi ba pwedeng binabalance lang ang mga ads per commercial break? So what kung mostly puro program ads? That is what the network ia doing right? Promoting their shows

[Ralph Domingo](#) No, they're not. The Voice Kids, MMK, and even PBB (regardless of poor quality) are ruling over their GMA counterparts regardless of Nielsen or Kantar.

Also, ads provide the bulk of a commercial network's earnings. Kaya mas importante pa rin ang ads sa success ng network, lalo na sa mga malalaking network like GMA. The more, the better. Promotion of programs is not enough to entice viewers.

And yes, GMA should adapt, otherwise perish ang mangyayari sa kanila.

July 22 at 5:37pm · [Like](#)

Christian Añasco The programs you mentions are just hype. The contestants are too OA. MMK is like what? Storytelling. Those stories which I doubt are even true. ABS can't produce their own Game/Reality show well without the help of franchised shows. Walang originality

Christian Añasco Good. Wala nang nakakainis na mga bata. Hindi rin namang tatagal sa showbiz ang mga yan. Sikat sila for now, but in the future? I doubt it.

July 22 at 5:39pm · [Like](#)

Ralph Domingo Pero MMK has been around for 22 years, and still produces high ratings and even winning awards. Also, each story is from a letter sender, whose excerpts are read by Charo Santos-Concio, meaning they are based on the stories of real people.

And yes, tapos na ang The Voice Kids by Sunday, pero may Bet on Your Baby 2 naman ang susunod. As long as kumikita ang ABS sa mga franchised shows nila, there is no reason that they'll be dumped soon.

Yung pagka-OA ng mga contestants ang nagiging dahilan kaya naghahatak ng maraming viewers. While I would want PBB to end for good, for ABS-CBN, they don't find any reason to get rid of the program, as long as they attract viewers.

MEET ARIEL

Noong nalaman ni Ariel na may sakit sa kidney ang kanyang kapatid, ginawa na niyang misyon ang makatulong rito. Sino pa nga naman daw ang maaasahan nito? Hiniwalayan na ng kanyang hipag, iniwan pa sa kanyang poder ang kanilang tatlong anak. At, hindi biro ang pagpapa-dialysis.

Kung papapalarin si Ariel, malaki ang maitutulong ng Who Wants to be a Millionaire sa kanilang magkapatid! Uuwi kaya siyang wagi o bigo? Abangan sa Linggo, 8pm sa TV5! Pagkatapos ng Cowboys and Aliens.

Dahil more talaga dito sa 'king paborito.

More tawanan, more tugtugan, more kuwentuhan, more kulitan,

According to Mr. Kenneth Ti, through a comment sent on my blog From the Tube, nauna ang ABS-CBN Sports sa free TV rights ng FIBA World Cup. Then TV5 asked Solar to cover the games after Gilas qualified for the Worlds.

Mr. Ti even clarified that Solar DID NOT give TV5 the exclusive rights for the Gilas games, and that false advertising lang ang ginawa ng TV5 tungkol dito.

Other than the Aksyon newscasts (except Tanghali), Radyo5 programs, T3, Buhay OFW and Sports5 events, puro replay na lang ng mga programa ang napapanood sa AksyonTV. Yung Reaksyon na naging segment na lang ng Aksyon Prime, ineere pa rin kahit halos outdated na ang mga reports nito.

Also, ang de facto na SID ng AksyonTV ngayon ay yung mismong News5 na SID, na nagsisimula sa 'Halos isang daang milyong Pilipino ang nabubuhay sa buong mundo...'

• [Ralph Domingo](#) Regarding those Radyo5 programs, pwede sana nila i-simulcast muli ng AksyonTV ang Aksyon Sports, tapos Perfect Morning imbes na re-runs ng Alagang Kapatid, The Love Idols, Showbiz FM, at yung Chillax Radio ni Lourd. Yung mga music-only programs like 80s Sabado at Sunday by Heart, pwede rin nilang i-simulcast as long as magkaroon lang ng host sa mga naturang programa, ala DJ Richard and Jun Banaag of DZMM. And not to mention the 2nd hour of Orly Mercado All Ready.

Nasasayang talaga ang AksyonTV kung puro replays lang sila.

Again, the TV mass is for the benefit of people who cannot go to church for various reasons, eto yung way nila para manatiling religiously enriched. Also, kung may mga religious program ang mga Protestante at non-sectarian religions, dapat may representation rin ang Katoliko.

At wala kang karapatan tawaging 'tamad' ang mga hindi nakakapunta sa simbahan para mag-misa.

Gregory Maximinian Okay, to end this fight about TV Mass.

Kung bakit may TV Mass? Nakalaan po ito sa mga maysakit at mga senior citizens na hindi makapunta sa mga Parish Church nila sa kanilang respective place. Kaya eto ang dahilan kung bakit may TV Mass. But it is required na ang bawat nakapanood nito na maysakit o senior citizen na tumanggap ng Holy Communion mula sa mga Extraordinary Ministers of Holy Communion (EMHC) na lumilibot sa vicinity ng Parish Church nila after nila magserve sa Holy Mass.

Instead, nangyari ang mismanagement and afterwards Ramon Ang came into the picture.

ABS-CBN had a succession plan in place when Geny Lopez died, something GMA was not able to do. Gabby was well-trained by his father kaya alam na niya kung paano patakbuin ang naturang istasyon ng maigi. And Gabby was successful in that regard.

That's the problem of the NCAA today: lack of marketing appeal. Kaya kokonti lang ang mga ads nila. While they can boast themselves of being the 'tunay na basketball war' thanks to unpredictable finishes and physical play, it is the marketing aspect that remains their low point.

Also, there was an episode on Ben's Bitag several years ago na na-involve ang apat na Tulfo brothers; it was a full-scale drug raid that was covered by the Bitag staff.

By the way, Patrick Tulfo, son of Mon and nephew of Ben, Erwin and Raffy, and fellow mediaman, has yet to work with the first generation Tulfos on a particular program.

#ShiftToDTVph #DTVphObserves

Here are our current observations in the Digital Terrestrial TV landscape to this date.

Here in Mega Manila, Although networks have already started broadcasting in Digital using the ISDB-T Platform, Networks are still fine tuning their settings.

We have observed that some of the networks are using the MPEG-2 Audio Layer II in their audio settings. This includes [TV5](#) and [Abs-Cbn](#)

If observed thoroughly, you may hear some degradation especially on the sub channels. This is because the current audio configuration on their sub channels is using mp2 placed at 96kbps .

We have also observed that TV5 has not configured their supposed "1seg channel". It is missing the necessary flags in order for it to be a "true 1seg channel" and can be decoded using our receivers.

Other networks on the other hand have 1seg configurations but all of them cannot be decoded in our receivers. This is probably due to some settings that may be part of the "new generation setup" that will be part of the ISDB-Tph Standard.

True friends are hard to find. But not on ABS-CBN's LUV U where friendships go beyond high school days. In tomorrow's episode, Camille (Miles Ocampo) considers her friends as superheroes who are always there to defend her.

As an employee, Camille realizes it is much harder to deal with a customer than a bully classmate. One of her customers angrily complains and Camille is left with no choice but to keep her cool because "the customer is always right." That's why she missed the days when her friends Rocky (Igi

Boy Flores) and Boom (CJ Navato) would come right away to her rescue. Unknown to her, Igi and Boom had witnessed and recorded the wrongdoings of the customer which they uploaded on YouTube.

LUV U airs Sundays after ASAP 19.

[August 10 at 7:00pm](#) · [Edited](#) · [Like](#)

• [John Rodrigo Diaz Valdez](#) MBC has two stations airing the same format in the areas you've mentioned. Instead of competing against each other kung sino ang #1, MBC decided to rebrand Yes FM stations into Easy Rock stations.

At isa pa, tanging WRock Manila lang ang na-acquire ng MBC. Hindi pa kasali ang provincial stations ng ACWS-UBN. Years after selling DWRK to MBC, binenta ng ACWS ang WRock Davao to Trans Radio at naging Hit Radio. Yung Bacolod station, nagsara. They also attempted to resurrect WRock in cyberspace, pero nagsara na rin. Hence, WRock Cebu na lang ang naiwan.

At isa pa, gumamit ka ng Google or Yahoo. Baka mapagkamalan ka pa na Captain Obvious.

Okay ang Retro 105.9 DCG FM, sapagkat, palaging binibiktima ni Retro yung mga CHR stations, pati throwback programs nito tulad ng Friday Madness, dinadamay.

Ralph Domingo Most throwback programs in other stations are leaning more on late 90s-2000s music now than the previous decades. Decade and Turn of the Century ng Mellow, Playback ng Play FM, Riot ng RX, Slide and WRXP ng Jam, and Flashback Friday ng Wave are just some of the examples.

For those who are keen on waiting for the [#IRR](#) for digital terrestrial TV (especially those who wait for it very badly), narito ang statement ng head admin ng DTV Pilipinas:

"We don't want to rush the IRR so nobody would be left out. Let us make sure that everything is in order and everyone is in agreement."

Kaya easy muna kayo!

- Mr. Patrick 'Pat' Chin

this means on the way na ang IRR by process. hindi nila minamadali ang pagrelease dahil nakasalalay ito sa sabayang transition ng buong bansa at para makasabay ang lahat ng mga [#Pilipino](#), and most especially the agreements with the stakeholders (TV networks).

Any take on this excerpt on an article about GMA's new partner?

There will be no changes in management once Ang comes in as a minority stakeholder, Gozon said.

"The policy manual and everything here in GMA will continue. The officers will continue. There will be a very slight change in the composition of the board," he said.

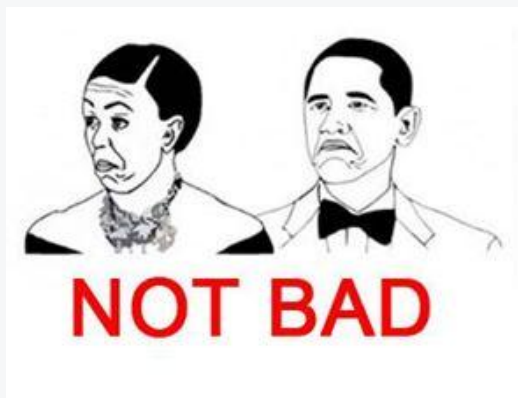

"I don't think he will be the one who will manage GMA so if we are going to continue, it will be in good hands," he said.

But the broadcast firm is set to improve further upon the entry of Ang, the chairman said.

Comment from Muning on From The Tube article 'For TV5, It's All About Aksyon':

"Wag nila sabihin na naiiba sila sa pagbabalita .Sana tanggalin na nila ang segment na reaksiyon sa aksyon prime. Marami sa viewers ang di nakakaunawa sa current issues na pinag- uusapan nila at

sayang ang oras kaya di siksik sa pagbabalita at sana wag puro commercial breaks, kaya unti unti bumababa ang nutam ratings nila. Sayang ang pagiging major network nila."

Anong say niyo?

Edwin Diestro Sorry no offence! eh bakit both TV Patrol at 24 Oras adaming commercial break with san damakmak na advertising load. Doon sila kumikita at humahataw sa rating. Similar case of Aksyon of TV5 may commercial break with ads pero the only difference is kaunti talaga ang regional station nila aside from sablay sa ratings!! TV5 has to need improvement more para humabol sila sa dalawang major network.

August 14 at 8:33pm · [Edited](#) · [Like](#)

Ralph Domingo Indeed, may kailangan pang i-improve ang TV5. Unfortunately, Aksyon Prime only airs for 45-55 minutes on average, so expect na mas konti ang irereport nila kaysa sa TV Patrol and 24 Oras, which doesn't bode well for a primetime newscast such as Aksyon Prime.

• [James Uy Ty III](#) Morning shows don't work on weekends anymore. Don't bring back SOP and put up a better noontime show or just air movies like what TV5 does. Mel Tiangco's old show with Joey de Leon did not click so it's useless to bring it back. Put Startalk back in the afternoons. SNBO should air more news documentaries and concerts.

Its pre-programming will be a show about life in the backstage. I brought in Papa Jack and Chris Tsuper/Nicole Hyala's radio shows over TV. As for Mel & Joey, I have replaced Joey de Leon with NET25's Pepito Guerrero (anchor of the Agila Balita 4 pm edition along with Onin Miranda) and will also be improved. Startalk will be a better fit for latenight.

Ang current timeslot ng Pepito Manaloto: Ang Tunay na Kwento ay tuwing Sabado 6:00 ng gabi pagkatapos ng 24 Oras Weekend. Kung matatandaan natin, ang programang Bitoy's Funniest Videos ay inere sa ganon ding araw at around 7:00 p.m. sa GMA-7. This is the first time in more than five years since mangyari ang pagbalik ni Michael V sa dati niyang Saturday early evening slot.

at 2010 nagbago ang weekend primetime dahil sa pagpasok ng 24 oras weekend, dahil hindi ganun maganda ang weekend newscasts pag late nights at alangangin pa kung may typhoon update kaya nilangyan na agad sa early primetime first sa 3 major netowrks... ung tv patrol ay hindi considered magkamerged sa timeslot nila dhil ung tv patrol linggo ay nasa early late nights kaya 2010 nila nagmerged ang 2 weekend editions

Another reason ng pagkakaleche-leche ng programming ng GMA:

Atty. Anna Teresa G. Abrogar, Filipino, 42 years old, has been a Director of the Company since 2000. Atty. Anna Teresa G. Abrogar graduated valedictorian from grade school and high school at Colegio San Agustin. She graduated cum laude, BS Management Engineering from Ateneo de Manila University and obtained her Bachelor of Laws degree from the University of the Philippines where she graduated valedictorian, cum laude. She later obtained her Master of Laws from Harvard University. She is a junior partner in Belo Gozon Elma Parel Asuncion & Lucila and was an Associate Professor in the University of the Philippines, College of Law where she taught taxation. She is currently Programming Consultant to the Chairman/CEO of GMA Network, Inc. and the President of GMA Films, Inc. and GMA Worldwide, Inc. She is a trustee of GMA Kapuso Foundation.

PH: World's best country in business English

Well, people will now have to think twice before mocking Pinoy's use of the English language.

The Philippines was named the world's best country in business English proficiency, even beating the United States, according to a recent study by GlobalEnglish Corporation.

GlobalEnglish has released early this month the results of its annual Business English Index (BEI), the only index that measures business English proficiency in the workplace.

For 2012, results showed that from 76 represented countries worldwide, only the Philippines attained a score above 7.0, "a BEI level within range of a high proficiency that indicates an ability to take an active role in business discussions and perform relatively complex tasks."

"This is particularly interesting because the Philippines, a country with one-tenth of the population of India, recently overtook India as a hub for call centers. Over 400,000 Filipinos are now employed in call centers, roughly 50,000 more than in India," the study said.

The Philippines, which scored 7.11 and the lone country in the intermediate level, were joined by Norway (6.54), Estonia (6.45), Serbia (6.38) and Slovenia (6.19) in the top five.

GlobalEnglish noted that a country's business English capability is an indicator of its economic growth and business success.

"It is not surprising that both the Philippines and Norway—the only two countries in the top five in both 2011 and 2012—are improving their economies, based on the latest GDP data from the World Bank," it added.

Meanwhile, struggling economic powers (Japan, Italy and Mexico) and fast-growth emerging markets (Brazil, Columbia and Chile) scored below a 4.0 in business English proficiency, placing them at a disadvantage when competing in a global marketplace, the study said.

It also pointed out that shifts in global talent have put even English-speaking countries at risk.

"Surprisingly the BEI score for global workers in the U.S. declined from 6.9 to 5.09 since the original 2011 BEI benchmark, which is attributed to a majority of test takers being foreign-born engineers and scientists," the report said.

Rest of the world ranked beginner and basic level

Based on a scale of 1-10, the average 2012 BEI score across 108,000 test takers around the world is 4.15 which is lower than last year's 4.46.

Nearly four out of 10 (38.2 percent) global workers from 76 countries were ranked as business English beginners, meaning that, on average, they can't understand or communicate basic information during virtual or in-person meetings, read or write professional emails in English or deal with complexity and rapid change in a global business environment, the study said.

Meanwhile, the majority of global workers (60.5 percent) from the represented countries scored between a 4.0 and 7.0, below an intermediate level, indicating an inability to take an active role in business discussions or perform relatively complex tasks such as presentation development and customer or partner negotiations, it added.

GlobalEnglish stressed that the 2012 BEI which showed a lack of business English proficiency is threatening the productivity of companies, industries and country-specific economies this year.

"Poor Business English skills are bad for global businesses and this year's Business English Index suggests that many companies will be hard-pressed to achieve their desired performance goals during 2012," said Tom Kahl, GlobalEnglish President.

"Addressing English skills gaps and ensuring that employees can immediately perform at the necessary proficiency level should be viewed as a strategic imperative for multinational businesses, as Enterprise Fluency, the ability to seamlessly communicate and collaborate within global organizations, can deliver significant financial upside," Kahl added.

Headquartered in Brisbane, California, GlobalEnglish works with multinational companies – including Cisco, Procter and Gamble, HSBC, Pfizer – to support performance in business English across the workforce around the world.

Here's the list of the 10 best and worst countries in the world for business English proficiency based on GlobalEnglish's 2012 BEI:

I'm saddened when they decided to move their long-running Saksi to late nights, when in the first place, they should have kept it to primetime. Although 24 Oras is now running for over 10 yrs, Saksi lasted a lot longer than that, and had a more recognizable tone to it.

Now 'Worry Free Kid TV' is on Nickelodeon's Nick Jr. block and Disney Channel's Disney Junior block.

RPN Under Solar (2004-2014):

2004-07: Prime Shift (primetime programs from Solar's entertainment channels; NBA from Solar Sports/Basketball TV)

2008: C/S on RPN (shift of C/S channel to free TV; NBA games return after brief stint with then-ABC 5)

2008-09: C/S 9 (addition of PBA games; original C/S format returned to cable as C/S Origin; addition of documentaries and reality programs)

2009-11: Solar TV (old C/S format now moved to CHASE/Jack City on RMN-31; more diverse entertainment programming; lost PBA rights after 2010-11 Philippine Cup; lost NBA rights prior to 2011 All-Star Game)

2011-13: ETC (programming specific to youth and female audiences; ETC moved from SBN 21; latter channel became Talk TV/Solar News Channel; NewsWatch ended with full takeover of Solar)

2013-14: Solar News Channel (ETC and SNC traded channels; mostly news and information)

Thanks for the memories. And good luck to the new owners of 9TV.

Comment from marcus on From the Tube article 'Controversial PBB Season to End; StarStruck to Revive Anew':

"Sa Phil. Lng ata naging mala artista search ang Big Brother pati ibang reality competition like Survivor. Its sad that those reality competition entertainment purpose was somehow altered and modified to fit the bill for an artista search type of show. BB and Survivor is a social experiment not to make stars after but to see what will a bunch of strangers do in an isolated environment. Ni hindi ko nga alam anung definition ng Big Winner sa PBB.

And for Starstruck, I can see the novelty of the comeback and it better be good enough since to be honest the concept is already old fashioned especially for network struggling to hold its remaining niche in the entertainment department.

Reality programs are shows with unscripted drama whereas production has less control over what happens within the boundaries they have set. That what makes them interesting and watchable. Honestly the inclusion of discovering potential tv drama stars makes our versions looks tacky at least for fans like me who knows the Foreign format and enjoyed the reality of the reality show."

Your thoughts?

ang Natural 97.9 at Natural provincial stations, nagiging niche radio station (CHR/Top 40 station) na lang ito, at saka, yung mga DJs dun, nagta-Taglish na lang sila dun. Tanggal na dun yung Pinoy Music Salad/Pinoy Hits, Moments, at Solid Gold Sunday, at niretain dun yung Instant Request, and also, without love songs. Parang may binabalak ang Aliw Broadcasting Corporation na irename ang Natural.

For me, 97.9 Natural has evolved into a CHR/Top 40 station, apart from Hot AC since it now plays more current hits than older ones. Its DJs speak Tagalog and reminds me of Pinas FM since it almost has the same format without flagship chart shows so far in it.

Noong sarado pa ang ABS-CBN, dahil sa Batas Militar, GMA-7 ang may pinakamaraming advertisers (only starting from the late 70's, I think), aside from RPN-9 and other Benedicto-owned TV stations. Kindly correct me if I'm wrong.

Jake Jacinto Oo, pero noong nagbukas balik ang GMA (as RBS-7), kumokonti yung advertisers dati at malapit daw mabangkarote dati (noong si Stewart pa ang may-ari) kaya ibinenta niya ang network kay Gozon, Duavit, at Jimenez. Diyan nagsimulang dumadami ang advertisers at shows nila, pero despite this, no. 1 pa rin noon ang BBC, KBS/RPN, at IBC.

BTW, ano pala ang mga factors o dahilan na nagiging dahilanng pagkokonti ng advertisers sa isang TV station?

'GUYS, MAY GMA PA PO! LIPAT NA KAYO SA AMIN HABANG PATALASTAS PA SA PBB. PARANG AWA NIYO NA!!!!'

No wonder Duavit Sr. admitted in a recent GMA history coffee table book na they were 'second place' for the most part despite the critical acclaim of their programs, dahil ratings and ad rates ang kulang sa kanila. And the fantards have every right to remind the embattled network in Timog, dahil mukhang pa-Timog ang direksyon ng GMA kaysa sa hilaga.

Ang NCAA men's basketball lang ata ang tanging gumagamit ng in-game 'TV timeout' dito sa Pilipinas; ginagamit ito early in the 4th quarter. Sa US NCAA madalas itong gamitin every four minutes or more per half, habang sa NBA ginagamit ang TV timeout every after 8 minutes remaining in the 2nd and 4th quarters.

Pero kahit ginagamit ng NCAA ang ganito patakaran, konti pa rin ang pasok ng ads ng liga, in contrast to UAAP men's basketball.

Islands Broadcast Corporation under Mr. Alfonso Denoga took over the management and the marketing of IBC (which came to be known as Islands TV-13) in 1990. It was in the later part of its operations that ratings and income suffered due to mismanagement which caused labor unrest. In March 1993, the Makati RTC issued the court order stopping Islands for being the marketing and

sales agent of IBC due to unpaid financial obligations to the network as the contract of Islands expired in February 28, 1993.

John Rodrigo Diaz Valdez Regarding kay Manny Pacquiao, malamang distraction na yan sa kanyang pagboboxing. Baka matalo pa siya.

August 26 at 8:00pm · [Like](#)

Ralph Domingo Case in point: yung knockout loss niya against Marquez, kaya siya sinisi ng mga kritiko niya. And yet, tuloy pa rin ang kanyang extra-curriculars; hindi lang PBA, kongreso at boxing ang inaatupag niya, pati upcoming GMA show na rin na ipapalabas within next month or two.

Kung matalo siya kay Algieri sa November, isisi uli natin ang pagiging PBA player/coach, congressman at TV host niya.

Christian Añasco Yes, Barako is a farm team, so as to GlobalPort, I think. JMP got that lucky punch, that's what many, including fellow Mexican Marco Antonio Barrera thinks as per this article:http://www.boxingnews24.com/.../barrera-pacquiao-isnt-a.... The distractions in bible preaching, olitics, showbiz, PBA, these are the things that Manny wants to do. Let him do his thing and let him manage his time. He did it during the Rios fight and the second Bradley fight, which was because the first was rigged thanks to the judges, or Bob Arum, so why cant he do it on the Algieri fight? He wont lose the Algieri fight, believe me. He will win most probably by decision whether it be unanimous, split or majority.

Barrera: Pacquiao isn't a fading fighter; Marquez got lucky

So I don't think there's a chance that Algieri will win, unless he does the unthinkable. Let's just wait and see on November 23

Phl DTT Updates:

From DTV Pilipinas - It is now confirmed that Jack City (blocktimer of Broadcast Enterprises and Affiliated Media, Inc. or BEAM Ch. 31; also owned by Radio Mindanao Network or RMN) will now cease on Free TV starting on September 1.

However, if you have ISDB-T equipments and gadgets, you may still watch Jack City 24/7 on UHF 22 (digital terrestrial test broadcast frequency of Solar Entertainment, Inc.).

It has been announced that starting September 1st, [JackCITY](#) will not anymore be airing on BEAM Channel 31.

Fortunately, you can still watch the channel 24/7 on Cable & Satellite TV or Digital terrestrial TV. You can watch JackCITY and other Solar Entertainment Channels (like [etc](#), [2nd Avenue](#) and [Basketball TV](#)) on ISDB-T UHF Channel 22 (521.143MHz).

* - Please take note that this is a test broadcast, and subject to change without notice.

Gregory Maximinian Yes.. They (BEAM ch. 31) will now have the process of upgrading their transmitter systems into digital-ready, which will rollout by late-december this yr.

Since hihwalay na ang Solar sa pagiging blocktimer sa BEAM dahil may separate digital terrestrial broadcast na, i do not know yet what programming will BEAM prepares to air soon.

Ralph Domingo Does this mean na the inevitable Jack TV-Jack City merger will happen soon? AFAIK, Jack TV is now a shell of its former, happy-go-lucky self; around 85% of their programming are drama/suspense (ala Solar USA/C/S/Chase/JCity), and 15% are comedy (ala original Jack TV). Worse, FOX is getting stronger, which is somewhat of a concern for Solar since they are the ones now airing WWE that used to be Solar's bread and butter.

COMMENT KO LANG SA EAT BULAGA

ang pangenget ng Eat Bulaga ngayon every saturday, wala na sila yung may kantahan at sayawan sa opening number na nagpeperform yung mga guest stars + yung mga EB mainstays parang wala na yung saya tapos ang nagpeperform every sat. sa opening no. si Dasuri Choi tapos minsan si shine kuk at richard hwan sila sila lang tapos hindi nagpapalit ng bagong set ng Eat Bulaga ngayon, 2010 pa yan set na yan (yung set ngayon ng Eat Bulaga 2010 pa yan 4 yrs. na) tapos nakakasawa na yung Pinoy Henyo habang tumatagal dapat palitan na yan PH yung 1 4 ol lang ang maganda at nagreformat din ang 1 4 ol at maganda rin yung ibang segments sa EB esp. yung suffer sireyna tapos eto pa yung studio ng Eat Bulaga ngayon sa GMA Broadway Studio, Broadway Centrum luma na at bulok pa tignan tapos masyado luma na yung facility nila parang gamit ng GMA na pinaglumaan na ang ginamit ngayon ng EB at The Ryzza Mae Show na panahon na pa ng That's Entertainment pa. Dapat palipatin na nga kasi ang Eat Bulaga at The Ryzza Mae Show sa GMA Network Center Annex Bldg. maraming nagrequest ng mga tao o viewers kaso etong GMA at TAPE Management ini-ignore nila ang requests or petitions ng mga tao o viewers sa kanila, sa dedma lang. Nagtayo ng GMA-7 ng bagong studio/building nila sa EDSA sa headquarters nila para dun ilipat ng mga GMA shows na galing GMA Broadway Studio at yung isang studio ng GMA sa Makati yung Filmex Studio tapos hindi nga nila pinalipat ang Eat Bulaga sa GMA Network Center NAKAKADISAPPOINT TALAGA!

ewan ko why GMA Management and TAPE Management ignores the requests/petitions of the people o viewers for them (sa kanila) that move Eat Bulaga in GMA Network Center Annex bldg. ewan ko ba kung manhid o bulag ba si Mr Tuviera at Miss Malou C. Fagar?

tapos eto pa! napapabalitaan natin yun na gigibain na ang Broadway Centrum at tatayuan na ng condominium hanggang Dec. ngayon taon 2014 ang umuupa sa Broadway Centrum kasama dun yung GMA-7 Eat Bulaga na nakalocate sa Eastside Studio, tatapusin na yon! saan lilipat ang Eat Bulaga (sa bagong studio) by next year PROBLEMADO NA YAN! kawawa naman ang Eat Bulaga.
